PERFECT 100
Salt Lake City, Utah

It’s not often we achieve perfection. The perfect job. The perfect dress. The perfect bracket. In some cases, however, perfection is actually attainable.

In March 2019, Globus Relief achieved perfection in the eyes of Charity Navigator, the nation’s largest independent charity evaluator, by earning a perfect 100 rating. In doing so, Globus Relief joined a highly elite list of “Charities with Perfect Scores.” As of the March rating date, only 65 of the 9,000+ charities evaluated by Charity Navigator were on this list, putting Globus Relief in the top 0.7% of charities rated.

“The exceptional charities on this list execute their missions in a fiscally responsible way while adhering to good governance and other best practices that minimize the chance of unethical activities,” writes Charity Navigator. “We applaud these charities for exceeding industry standards and outperforming other organizations performing similar work.”

Charity Navigator’s ratings methodology includes metrics on Financial Health and Accountability & Transparency (governance, ethical practices and openness with donors). Globus Relief earned perfect scores in both of these categories, translating to a 100 point overall score.

The perfect score also continued Globus Relief’s 11-year history of 4-star ratings. “Globus Relief’s exceptional 4-star rating sets it apart from its peers and demonstrates its trustworthiness to the public,” according to Michael Thatcher, President & CEO of Charity Navigator. “Only a quarter of charities rated by Charity Navigator receive the distinction of our 4-star rating. This adds Globus Relief to a preeminent group of charities working to overcome our world’s most pressing challenges. Based on its 4-star rating, people can trust that their donations are going to a financially responsible and ethical charity when they decide to support Globus Relief.”

We couldn’t have received this top rating without our amazing donors, charity partners and board of directors. Perfection may be a seldom-obtained goal in life, but with such incredible support, this time we hit the bullseye.
